

The 2nd Shin-ei Owners Club in Chubu (15th of January, 2020)

The 2nd owners Club in Chubu was attended by 14 clients from 9 companies.

For the first half, General Manager Fujino held a lecture on "The contract on leased building restoration" as well as "Actual court precedent on tenant's neighborhood abuse".

Introducing and explaining practical methods of problem solving as well as construction examples the lecture came to a good end.

For the second half employees and customers gathered for refreshments and exchange of information, thus ending the day on a great note.
