

The 4th Brokers Club in Kansai (28th of November, 2019)

On the 28th of November, 16 customers from 10 companies participated. For the first half, deputy General Manager Fujino held a study group on "Mental Capacity", in accordance of cases where invalidation of contracts and cancellation of ownership transfer registration were due to lack of mental capacity.

In the second half participants gathered to enjoy refreshments and after deepening their friendships the gathering came to a close.
