

第 The 6th Brokers Club at Shin-ei (14th of November, 2019)

On the 14th of November, 30 people from 24 companies participated. In the first half our corporate lawyer held a seminar on "effective decision making" as well as "flooding countermeasures and hazard maps", resulting in a lively question and answer session. More and more people have been joining us in these study sessions as of late!

Latter half was spent exchanging information in lively conversation.
